LEGACY GIVING PROGRAM

Legacy giving, also known as planned giving or bequests, is a way for supporters to extend their support beyond their lifetime. By including The Prince William County Parks Foundation in your estate plan and wills, individuals can make a lasting contribution to the causes they care about.

OUR MISSION

To inspire and advocate for the maximum use and sustainability of Prince William County parks, trails, and recreational programs that enrich all lives.

OUR VISION

To ensure that everyone has opportunities to play, recreate, and experience nature, which are vital to make Prince William County the place for all who seek an enhanced quality of life.

Dear Supporters of Parks and Green Spaces,

As Prince William County grows, we become more cognizant each year about the need for more parks, and green spaces. We are also troubled by the increasing challenges of sustaining our beloved green spaces. Now, more than ever, we need to plan ahead for the maintenance, modernization and additional green spaces for our beautiful park system. Legacy gifts will help to preserve our parks beyond a lifetime and provide the capacity to increase green space.

Please consider a legacy gift to help ensure our capacity to preserve and expand our park system to ensure outdoor activity opportunities for every resident.

Chair, PWC Parks Foundation
